MUHAMMAD AMIRUDDIN BIN ZULKIFLI

Full-Stack Web Developer & Designer | AI-Assisted Development

Kuala Lumpur, Malaysia | +6017-444 2968 | amiruan12@gmail.com

Portfolio: amiruan.site | GitHub: github.com/Amirue | LinkedIn: linkedin.com/in/amiruddin-zulkifli

PROFESSIONAL SUMMARY

Full-stack web developer and designer with a Software Engineering degree from UTM (CGPA 3.80, First Class). I build production WordPress platforms with SEO, Google Analytics and Google Search Console, and ship React, Laravel, Node.js and PostgreSQL products with AI-assisted workflows (Replit, OpenCode). Recent work includes MyEventQR (0.2s badge printing, 30% faster events) and FEN Learn (18,000+ learners).

SKILLS

- **Web Dev:** WordPress, Breakdance, Elementor, Bricks
- **AI:** AI-Assisted Development, Prompt Engineering, Replit, OpenCode
- **Front End:** React, TypeScript, JavaScript, Tailwind CSS
- **Back + Data:** Laravel, PHP, Node.js, PostgreSQL, MySQL, Drizzle ORM, REST APIs
- **Design:** Figma, UI/UX Design, Design Systems, Photoshop, Illustrator
- **SEO & Analytics:** SEO, Google Analytics, Google Search Console
- **Infrastructure:** Cloudflare, cPanel, SendGrid, Stripe
- **Tools:** Git, GitHub, Docker, HTML5/CSS3

WORK EXPERIENCE

Junior Web Developer & Designer | Light Up 7 (LU7) | Kuala Lumpur, Malaysia **2024 - Present**

- Built MyEventQR in Replit using AI-assisted React/TypeScript workflows for registration, QR check-in and badge printing.
- Automated badge printing to 0.2s per badge, cutting printing time by 30% across 10+ events and 6,000+ attendees.
- Developed FEN Learn (Laravel 12 + React/Inertia) with learner/admin portals for 18,000+ learners.
- Built and maintained WordPress sites for Bank Negara Malaysia, FENetwork and PETRONAS/TFM; 20+ total.
- Delivered Dutaguru at 96/100 Lighthouse best practices.
- Implemented SEO, Google Analytics and Google Search Console tracking across client WordPress sites.
- Managed cPanel/WHM, Cloudflare DNS/SSL, SendGrid (80K+ emails) and Stripe integrations.

Web Designer & Developer (Internship) | Laman7 | Shah Alam, Malaysia **Sep 2023 - Mar 2024**

- Designed wireframes and a reusable Figma design system for client sites.
- Built and published WordPress sites for Theta Edge, Sime Darby Energy Solutions and AEON Corporate.
- Contributed to design reviews for Malaysian Website Awards projects.

FEATURED PROJECTS
